A day camp experience for children 6-12 years old

Moving through the grief process is often difficult. It is like climbing a mountain. Register your child/children for this unique camp designed especially for children who have lost a loved one. Hospice of Hope's specially-trained bereavement staff will help children navigate their grief process in a safe and fun environment. Campers will have the opportunity to process their grief through sharing, art, and music.

SWIMMING

Traditional camp activities will be incorporated throughout the day to enhance learning and provide laughs along the way!

ROCK WALL

ZIP LINE

Lunch, snacks, and picnic supper provided. Parents will join campers for a family picnic and closing ceremony at 5 p.m.
